

Connecticut Debate Association
Debate Tournament Invitation
October 8, 2022

On behalf of AITE and the CDA, you are invited to our first regular tournament of the 2022-23 season on Saturday, October 8, 2022. This will be our first in-person tournament in two years. We will also follow our new Parliamentary tournament for the first time: one hour for case preparation, four rounds of debate in Varsity and Novice divisions, and a final round between the top two Varsity teams.

AITE has limited space. We may also hold an online tournament simultaneously. To plan effectively, we ask all Coaches to fill out the following Google form:

<https://forms.gle/H8N5rswcURJcTF856>

Please read the following carefully:

1. **Timeline:** Please respect the timeline for signing up for this tournament:
 - a. September 26—invitation goes out to all Coaches and is posted on the CDA website.
 - b. September 26, 8AM—tournament opens for registration on Tabroom
 - c. September 30, 6PM—Coaches must complete Google form if they wish to attend.
 - d. **October 6 at 12 Noon—teams must be entered in Tabroom. Entries after this time will only be accepted if there is room and may not be accepted.**
 - e. October 5, 9AM—tournament begins!
2. **Numbers:** Space is limited, and the number accepted will depend on demand. Please provide a guess-timate in the Google form, but enter as many teams as you like. We will notify you with how many will be accepted as soon as we know the totals.
3. **Judges:** You must have one qualified judge for every two teams or part thereof.
4. **Registration:** You must register your teams and judges through [Tabroom.com](http://tabroom.com). Instructions for using Tabroom.com for CDA can be found here: <http://ctdebate.org/PDFs/Using%20Tabroom.pdf>. We will be using Tabroom.com for registration for all tournaments.
 - a. There will be three events: Varsity, Novice and Observer. See Novice eligibility rules below.
 - b. For Judges there will be two categories, Varsity and Novice. Varsity judges should either have judged a debate tournament before or be former high school debaters.
5. **Novices:** Please abide by the rules for Novice eligibility (unchanged from last year):
 - a. The Novice division will be open to Freshman and Sophomores, regardless of experience or record. They may qualify and participate as Novices in State Finals both years. However, they may move up to Varsity at any time if they or their coach choose, and once having moved up, may not return to Novice. Coaches are encouraged to move Sophomores up to Varsity if they have been successful as a Freshman but are not required to do so.
 - b. Juniors who have never debated before in CDA may participate as Novices in their first regular CDA tournament. Otherwise they may only debate in Varsity. They may not participate in State Finals except in Varsity. They may only qualify for State Finals while debating in Varsity.
 - c. Seniors may not participate as Novices in any CDA tournament.

6. **Coaches:** Debaters cannot attend individually. *We expect each team to be accompanied by a Coach or responsible adult approved by your school* who will follow and manage the team's activities and be available for discussion if required. This holds whether attendance is in-person or online. The Coach may also serve as a judge.

If you have any questions or comments, please email me at ejrutan3@ctdebate.org.
